

College Trigonometry  
MAC 1114  
Fall 2006

- Instructor: Ms. Lori Dunlop Pyle  
Office: MAP 101  
Phone: 823-3185  
e-mail: LDunlop@pegasus.cc.ucf.edu  
Office Hours: MWF 10:30-11:30  
TR 5:00-6:00
- Tests: There will be 4 in-class tests and a comprehensive final exam. If your final exam score is higher than your lowest test score, your final exam grade will replace your lowest test score.
- Homework: Homework will be assigned from each section of material and should be completed before the next class.
- Quizzes: Quizzes will be given at least once per week and at most daily at the beginning of class. They can cover any topic covered up to that day, and will consist of one question. You will need 3" X 5" note cards for the quizzes.
- Text: Analytic Trigonometry, Ninth Edition, Barnett, Ziegler, Byleen, Wiley
- Test Dates: Test 1: Thursday, September 7  
Test 2: Thursday, October 5  
Test 3: Thursday, November 2  
Test 4: Thursday, November 30
- Final Exam: Tuesday, December 5 from 4:00pm – 6:50 pm
- Attendance: Attendance will be taken daily.
- Grading: Test average: 65%  
Final Exam: 25%  
Quiz average: 10%
- Make-up policy: There will be **no make-up exams or quizzes** except in extreme circumstances (ex: death in immediate family, military obligation, school activity, etc.) according to university policy. You will be asked to provide proper documentation.

NC Grade: To earn the grade of NC you must meet the following criteria  
1) Regular attendance (6 or fewer absences)  
2) Student must have taken all tests

Grading Scale: 90-100 A  
80-89 B  
70-79 C  
0-69 F (unless you meet the NC criteria)

Calculators: You will be required to use only the TI-30XA (Texas Instruments) scientific calculator for tests and quizzes. Using an inappropriate calculator will result in a grade of zero on the test/quiz and possible disciplinary action.

**Important Fall 2006 Academic Dates and Deadlines:**

Thanksgiving Nov. 23-25 (R, F, S)

**Prerequisites:** MAC 1105 (College Algebra) or 2 years of high school algebra

**If you have not passed the prerequisite with a "C" or better, you must retake the prerequisite course before you enroll in this course.** Note that the grade of "NC" does NOT constitute a passing grade in a course.

**Academic Honesty:** The work you submit in this class is expected to be your own. Forms of cheating/academic dishonesty include (but are not limited to): communicating with another student during a test (this includes giving information to another student as well as receiving that information), using an unauthorized calculator, using unauthorized material during a test, and communicating contents of a test to another student. I reserve the right to penalize a student for academic dishonesty by assigning the student an F for the course. In addition, further disciplinary action through the university will be taken. Please be aware that disciplinary action through the university could result in suspension or expulsion. For more information on academic honesty, please see the Golden Rule contents available at <http://www.goldenrule.sdes.ucf.edu/>.

Note: Information in this syllabus is subject to change. Any changes will be clearly announced in class.
